1 Overview: The Two Working Areas

The platform consists of two specialized work areas:

1.1 1. The Employee Portal (For Everyone)

Used daily by all team members and client-dedicated engineers:

- **Dual Digital Clocks**: Live clocks for both **Manila (PHT)** and **Copenhagen (CEST/CET)**.
- **1-Click Time Clock**: Easy buttons to Clock In, start Lunch, return from Lunch, and Clock Out.
- **Internal Support Tickets**: Fast submission of IT hardware, VPN, HR, and payroll requests.
- **Hardware Custody**: Real-time record of company laptops and gear assigned to you.
- **Policy Compliance**: Read and digitally sign company guidelines and handbooks.

1.2 2. The Operations Service Desk (For Support Teams)

Accessible to authorized IT, HR, Finance, and Operations personnel:

- **Kanban Ticket Board**: Drag-and-drop triage across Open, In Progress, and Resolved columns.
- **Email Auto-Ingestion**: Routing support emails sent to department inboxes.
- **Service Analytics**: Live metrics on resolution velocity, ticket volume, and SLA response times.
- **Access Control (RBAC)**: Safe management of helpdesk permissions for staff members.

2 Step-by-Step Guide for Employees

2.1 Logging In and 1-Click Role Logins

1. Open the **Employee Portal** in your web browser.
2. Enter your corporate email and password (`Password123!`).
3. For testing different access tiers, use the **Quick 1-Click Role Logins** bar at the top to switch between DevOps Lead, HR Manager, IT Specialist, or Client Developer with a single click.

2.2 Clocking Attendance & Meal Breaks

1. At the start of your shift, click the blue **Clock In** button.
2. When stepping away for your meal break, click **Start Lunch**.
3. When returning, click **End Lunch**.
4. At the conclusion of your shift, click **Clock Out**.
5. Review your past punches anytime on the **Attendance** ledger.

2.3 Submitting an Internal Support Ticket

1. Click the **Tickets** tab in the top navigation.
2. Click the pink **Raise Ticket** button.

3. Select the target department: *IT Support*, *Human Resources*, or *Finance*.
4. Enter a clear title, description, and urgency level (*Low*, *Medium*, *High*, or *Critical*).
5. Click **Submit Ticket**. Your ticket will instantly route to the corresponding team.

2.4 Reviewing Assigned Hardware & Policies

- View your assigned laptop model, serial number, and asset tag right on your dashboard personal card.
- Navigate to **Policies** to read mandatory company guidelines and click **Acknowledge & Sign** to digitally confirm your review.

3 Cross-Border Operations (Philippines ↔ Denmark)

3.1 Understanding the Time Zone Golden Overlap

- **Manila Time (UTC+8)** is typically 6 or 7 hours ahead of **Copenhagen Time (UTC+1/UTC+2)**.
- **Golden Collaboration Window**: **2:00 PM to 6:00 PM Manila Time** aligns directly with **7:00 AM to 11:00 AM Copenhagen Time**. Use this window for cross-border meetings and urgent pair programming.

3.2 Philippine Statutory & HR Support

The HR Helpdesk desk provides streamlined assistance for:

- **BIR Form 2316**: Annual Certificate of Compensation Payment and Tax Withheld.
- **Statutory Benefits**: Inquiries regarding SSS, PhilHealth, and Pag-IBIG monthly remittances and loan verifications.
- **Certificate of Employment (COE)**: Rapid issuance for banking, rental, or visa applications.
